

Signing up:

Registering for your own KidzBiz is quick and easy and until June 30, 2006 at no cost to you. Just fill out the following form and send it in by mail, fax or email. A KidzBiz.com representative will contact you to complete the registration process.

The Parental Consent form has a dual purpose. If you're a group leader registering for your team, club, school or organization, you can use it to be sure the parents know and approve of their children's participation in your fund-raising program. If you are under 18 years of age, please have your parent(s) (or guardian) fill out this form and then return it to us with your registration.
